

As another Indian summer day drifts on in its bright blue and golden splendor we find it a trifle difficult to concentrate on business at hand and discover our thoughts drifting toward the shimmering waters just a block away, full knowing that their depths hold unnumbered juicy crabs, tasty speckled trout and huge redfish just waiting for our nets and/or poles. This train of thinking wasn't helped in the least by the appearance of two colored men bearing a 30 pound red which they'd just caught off the railroad bridge with nothing more complicated than a large cane pole.

Sooooo with great haste we'll unburden ourselves of our present supply of news and be off to the wide open spaces... where, in reality, we'll wash a very filthy automobile and plant some bulbs for spring blossoming—but it was fun to mentally slip away, pole in hand for a few moments!

Might as well begin with a word of cheer to those under the weather—Willie Bordages is very much so... he's hospitalized with an attack of painful kidney stones... Brother Ray has been feeling somewhat under par of late also, Florence Foegele is on the mend... but was actually the victim of "walking pneumonia"—always before thought it just an expression, but that's exactly how the doctor diagnosed her illness.

Autumn travelers

On happier note—Henry Develle is at present enjoying the splendors of the French Riviera—the trip, a gift from his company—was a reward for his selling ability. Kathy and Wayne Davis are still walking on air, although they returned from their Disneyland-Hawaiian vacation Tuesday. Dr. and Mrs. John Dicks are also planning a lovely trip—they'll meander through the North Carolina mountains and admire the autumn scenery.

Mr. and Mrs. Peter Kaas were able to spend Friday night in their Shoreline Park home for the first time since it was vandalized a couple of weeks ago... they replaced slashed mattresses, mopped up mountains of bubble bath, replaced broken dishes, etc., and held their breaths for continued dry weather until holes in the walls and roof (shotgun damage) could be repaired. In addition to the shock of finding their home in such an unbelievable mess, they feared for a few moments that it had been burned as well... they were returning from the sheriff's office the night of the discovery and saw what appeared to be a mass of flames on their lot—it happened to be the home of a neighbor... The Kaases certainly took the tragedy in wonderful spirits—they had Father Kelly bless the house when most of the damage was taken care of, and feel only pity for the culprits. An admirably Christian attitude.

Louise (Mrs. Dove) Markey, chairman, reports that the Home Demonstration Club sponsored luncheon Wednesday at St. Clare's Parish Hall to benefit the Retarded Children's Center was a complete success... hungry ladies were standing in line awaiting the delicious food. Mrs. Markey asks us to express her appreciation to any and all who contributed to the cause.

Another affair, so well attended that comments were "why don't we do this more often?" was the fellowship dinner given Wednesday night at Bay-Waveland Yacht Club under the auspices of Christ Episcopal Church. Yet another benefit, SJA Parents Club's annual spaghetti supper takes place tonight. This promises to draw quite a crowd as tickets had to be ordered last week.

Newly smitten

Bob Torgerson and Paul Kimbrell have become ardent golfers... they have quite a match scheduled for Thanksgiving day... wagering a buck a hole on PCI's 18... the best part of the tale is that Paul is taking pro lessons three times weekly in the Crescent City and Bob has invested in several gadgets designed to improve his putting... the winner, can at best come up with only \$18... wonder what their joint investment has been to date???

Sill on golfing, Bill Ireland took in all 19 last Tuesday! Mrs. Will Hill had as her guest for two weeks, Mrs. Georgia Owens of Cincinnati, Ohio. Mrs. Owens, formerly a resident of New Orleans, will return here in the spring and might just become a permanent resident.

Happy birthday wishes go to Miss Terri Moran who celebrated her eighth last Tuesday, Oct. 8. Her classmates at Christ Episcopal Day School shared the cake decorated in a Halloween motif.

Sam Blanchard leaves today for a five-day visit to Mexico City. He's to be chaperoned (?) by Jim Kaufman and Gerri's cousin, Tillman Falgout.

Despite the fact that the middle of October is here weekenders continue to flock over in just about the same manner they did in July—some were Dr. and Mrs. E. Locascio, Ida and Harry Blanke, Yvonne and Jack Humphreys, Jeanne and Fred Lister, the C. M. archinsons, Peggy and Claude Duke, Pat and Lois Glass, Pat and John Gohres, Sylvia and John Yost and daughter Susie and so forth.

FESTIVAL OF FAITH

Festival of Faiths was chosen as the name for this year's United Protestant services. It was decided at a meeting of the Helena Ramsey prayer group last Thursday attended by Rev. Emory Greese, pastor of First Baptist Church, Rev. Lamar Martin of Main Street Methodist Church and Rev. Charles R. Johnson of Christ Episcopal Church.

Incoming president, Mrs. Maurice George, and Mrs. Joe Hughes, county home agent, look on.

and so on!

Hors d'oeuvres of shrimp with remoulade sauce, seafood gumbo, stuffed flounder, succotash, tossed salad, garlic bread and ice cream were on the menu when Louise and Joe Wymer entertained at a small dinner party in the attractively remodeled dining area of their home Saturday night. Guests enjoying the feast were Joe's sister, Jeanne and husband Fred Lister, Louise's daughter-in-law and son, Pat and Gene Watkins and daughter Renee and yours truly and better (?) half.

Canine chatter

We apparently have a thing started with the doggy bit—first we want to inform our readers that our friend, Mrs. Charles Bradley acquired a lovely little pup, white with black spots here and there... Doris Merritt was the donor... but just in case anyone else wants a healthy, small female canine—give us a ring... we have the names and descriptions of several more... a couple being the offspring of Audrey and Eddie Hoelzel's errant Zozo—this time she became enamored of a beagle... as she's a ginger and white cocker spaniel, the pups are cute as bug's ears.

Think some sort of reward, perhaps on the order of a silver heart, should be given mamas of numerous children who perform above and beyond the call at times—our first suggestion as a recipient is Joy (Mrs. Donald) Landry whose three small sons, they baby only about four months old at the time, underwent surgery simultaneously at Hancock General, shortly after which Joy had a major operation herself.

Next on our list comes Nancy (Mrs. Lucien, Jr.) Gex—Nancy three and 7/8 children, Nancy entertained Saturday at a joint birthday party for Jo, four, and Leslie, three... the hit of the day was a pony and cart which patiently rode the small guests up and down the street.

They're biting

Times

For the three or more years we have been writing this column, we have periodically necessary to ask our young readers for cooperation in helping us to get the items. Apparently we have needed, for instead of asking them to give us a list of items, we have been asking them to give us a list of items. We thank you to all who have contributed with phone calls, letters, and other means, giving us details of their celebrations, parties, and activities and birth dates. In addition to those we've mentioned, we wish to add the names of Bobby Saux, Jeannie Rutherford, Dick Watts, Melva Luke and Christine Sauer to the list of assistant reporters.

While handing out bouquets we also want to comment on this improvement in appearance of local boys and girls. . . gone, in most instances, are those rat nest hairdos, white lips and black rimmed eyes, making even a 14 year old look like a poor imitation of a silent movie star. The natural look is back and it's most becoming. . . the majority of the boys have abandoned their haircuts in favor of crew cut styles and skin tight jeans are replaced by neatly tailored slacks—now, if the boys would just break the deplorable habit of going absolutely everywhere with those huge curlers burdening their heads, we'd be happy!

A somewhat chastened Tiger team returned to Bay St. Louis after Long Beach, their traditional rivals fought them to a 13-13 tie. The Bay Bengals had been on the ball—Ocean Springs, their last opponent, they met Nov. 8, 1, wallowed St. Andrews 40-6.

Lots of Halloween activity was going on—Waveland Roller rink will hold its annual party with prizes awarded to the best costumes. Bay High P-TA cancelled the usual Halloween carnival as its date conflicted with the St. Louis football game. This event, however, will be replaced by a fun night on Nov. 15. There will be the usual booths and games for younger children and a dance with live band for older students.

Get well wishes go to Sue Breath who returned home from the University of Southern Mississippi last Monday suffering from exhaustion.

It appears we erred when stating that the largest number of local high school graduates attend USM—the majority flocked to PRJC. Some freshmen not mentioned include Bobby Compretta, Sammy Allmon, Hiram Baxter, Janice Bourne, Tim Fagen, Don Everett, Sammy Cuevas, Henry Heitzmann, Kenny Kothmann, Frank Miller, Billy Pahlman and Danny Smith. Wordie Carroll is attending LSU and John Campbell is at USM.

President, vice president, secretary and treasurers of Bay High classes for the school year are as follows respectively: seniors; Dick Watts, Billy Thomas, Elaine Miller and Linda McCulloch; juniors; Johnny Penton, Andrew Ramage, Melva Luke and Janet Sauter; sophomores; Didi Metstayer, Piji White, Mike Strong, and Danny Kroatkey; freshmen; Michael Ladner, Sarah McFarland, Marshall Wilcox and Georgia Necaise.

The fifth period homecoming class at Bay High elected Annette Vaughn president of an organizational meeting last Monday. Others elected were Sally Schorff, vice president; Kathleen McInley, secretary; Linda Necaise, treasurer; Pam Pike, historians.

Georgia Necaise, reporter and Jo Ann Knecht, song leader. Meetings will be held every third Wednesday.

Welcome back Mary, Kathy and Pat Shorb—they had been living in Louisiana but returned home during the summer.

Michael Reinko talked her father, Red into taking her shopping. . . the result, a very fancy homecoming outfit!

Happy birthday greetings to to Annelle Monti who was 14 Oct.

5, and to SJA boarder, Sara Segals—Sara celebrated her 15th on the 16th.

Mary Gottschalk spent last weekend as the houseguest of Christine Sauer.

Ronde Favre decided to return to school after serving his stint in the U. S. Marine corps. . . he's attending LSU in New Orleans in the daytime and working at Michoud at night.

Karen Lewis returned home from Ole Miss to spend the

weekend with her parents, Linda Hamilton and Jackie Kingston were among the many from Bay St. Louis attending homecoming at Pearl River Junior College last Friday night.

It's yet to come

The signs of our population growth are all over the place. Most retail businesses with whom we have checked report substantial, if not booming, increases. New subdivisions are being planned. There has been a noticeable increase in house trailers parked around the county.

Our own business shows the growth through its circulation, which in the last 12 months has gone up an average of 296 per cent. The rise, this is substantially more than can be attributed to factors other than population growth.

All of these changes have taken place at a time when employment at MTO is less than one-fourth of its estimated peak, and less than one third of the expected permanent personnel.

The economic prospects are certainly good, but there are other things to be considered. As we have cautioned before, unless proper planning is done by our municipalities and county the area may grow in such a way as make it a less desirable place in which to live. And unless proper planning is made by our businessmen, some outsiders may be the major economic beneficiaries.

Growing pains can be painful.

Improved Hawks almost top Rebels

North Central's Hawks battled their way from behind a 14-point lead in the second half and almost beat a powerful Harrison Central squad but the final horn caught them in scoring position on the short end of a 14-13 score Friday night in the new Hawk stadium. Stands on both sides of the field were jammed for the rip-roaring game.

The Hawks have shown much improvement in every game this season and it appeared that, given a little more time, they could have licked the Red Rebels.

Next Friday North Central entertains Pass Christian, another vastly improved Gulf Coast Conference squad and the lads are out to break into the win column. Last week the Pirates upended St. John 19-6.

The Rebels started the fireworks on the first play of the game when quarterback Jerry Wilson took the opening kickoff on his own 12, picked up his blocking and flashed 88 yards to score. Fullback Russell Lanning went around left end for the extra point and it looked like a bed night for the Hawks.

For the rest of the half it was even-steven, both teams playing good defensive ball and forcing each other to punt. Both squads intercepted passes to keep the interest of the fans up but were unable to score and at the end of the half it was 7-0, Harrison Central.

The Rebels continued their power tactics in the third quarter and drove 55 yards in 5 plays for a TD, halfback Norman Starnbro accounting for 51 of them and plunging over from the one to score. Wilson added the extra point on a keeper and it was 14-0.

But the Hawks were not whipped. Quarterback Eddie Peterson intercepted a pass midway in the

third quarter and then took to the air himself to put North Central in scoring position. A pass from Peterson to Wayne Cuevas was good to the eight and when the referee ruled pass interference the ball was on the four from where Peterson scooted around end on a fake-keeper. The try for conversion failed.

Peterson again came to the rescue midway in the final period when he intercepted another pass to set up the Hawks last score on passes to Kenny Randall. Paul Cuevas powered through tackle to score from the six and Randall added the extra point on a pass from Peterson to end the scoring.

Q: Which is the Medallion Home

A: The illustration on the bottom, of course. One of many features that set the Medallion Home apart is the convenient placement of electrical outlets - we call it full housepower. With Medallion Wiring, you never have to use unsightly extension cords because an outlet is placed just where you need it.

Of course, a Medallion Home contains convenience in other features, too. Plenty of electric servants help you with your chores, electric climate control provides your favorite indoor temperature regardless of the weather and light for living makes rooms more attractive and livable. We'll be glad to discuss with you the advantages of total-electric living, including our All-Electric rate.

Tigers settle for e with Bearcats

Like their jungle
the highly favored Bay

champs, tried des-

cats, playing in their
yard before a home-
crowd, dug in and wanted
Tigers' final quarter on-
The game ended 13-13.
was another rough and
long-up affair, rivalry
two having started
years ago when Coach
Lumpkin deserted the
for the Tigers, before
at Long Beach, before
to the Bay. The Tigers
come from behind twice
and were knocking on the Cats'
ports all through the final
quarter.

It was a tough night for the
Tigers as Ocean Springs romp-
ed over St. Stanislaus to take
an anticipated lead of the con-
ference. Ocean Springs now has
a 4-0 record while Bay High
and the Greyhounds head
Long Beach 7-0.

The arch-rivals played nip
and tuck throughout the first
half and neither was able to
score but the Bearcats started
winning in the second and
ended a 76-yard drive with a
Dillonback Melvin Dubstason. A
pass from center spotted the
try for extra point.

The Tigers took the Cats
back and, after failing to make
any headway on the ground in two
tries, took to the air. Quarter-
back Leroy Lake flipped a pass
to Billy Thomas who went
all the way for the Tigers first
try. The play netted 70 yards
and the kick from placement was
good and it was 6-6.

Then it was the Bearcats' turn

to march, going 80 yards on a
series of line plays, end runs and
passes for their second tally.
Sophomore Allen Pitts passed
to Wayne Smith from the six
for the score. Pitts added the
extra point with a pass to end
Jimmy Scully and the Cats led
13-6 at the half.

After a spectacular halftime
homecoming display by Long
Beach the Tigers came to life
and went 42 yards in the third
period for the tying TD with
fullback Stanley Burch slamming
over from the three and Billy
Thomas splitting the goal posts
for the extra point.

For the rest of the game it
was Bay High pounding against
the Bearcats door but they re-
fused to open. They twice drove
inside the Long Beach 10 where
they bogged down. Once the Tig-
ers blocked a punt on the Cats
15 but a fierce goal post stand
would not break. Another time
the Tigers got the ball on the
Cats 45 after a short punt and
moved within the shadows of
the goal posts only to lose the
ball on downs.

This Friday Bay High hosts
St. Martin. The Tigers are not
expecting too much trouble for
the rest of the season until they
tackle the conference leading
Ocean Springs Greyhounds there
Nov. 8. If the teams play accord-
ing to form this game should

Hounds smother Rocks

They tried but St. Stanislaus' Rockchaws were no match for the Ocean Springs Greyhounds, with the conference championship their goal, Friday night in the Greyhound Stadium. The Rocks, with all the cards stacked against them, went down fighting to the last minute and ended up on the short end of a 40-6 score.

Ocean Springs displayed the tremendous rushing power that has boosted them to the top of the Gulf Coast Conference heap. Their line was almost impenetrable and the Rocks were forced

to take to the air. The lone Stan-
laus tally came late in the game
on a 55-yard pass-run play from
quarterback Curtis Matheson to
halfback Dusty Rhodes who hip-
dirt standing up. The try for extra
point failed.

The Rocks now have one win
and three losses but coach Billy
Murphy figures to beat Assump-
tion of Napoleonville, La., in the
Rock Stadium this Friday, a team
that has yet to win a game this
season in five tries. However,
Stanislaus will be weakened by
the loss of Mike Andrews and
Waymon Carr who are on the in-
jured list.

With the championship in their
minds the Greyhounds went about
disposing of the Rocks in a work-
manlike manner scoring at least

one touchdown in each quarter.
In the first it was a 25-yard pass
from David Beaugez to Roy Frank-
lin, with Beaugez kicking for the
extra point.

Ricky Davis went over after
a long march in the second and
Beaugez kick was good for a
14-0 score at the half.

Ward was the next scorer for
Ocean Springs in the third period,
going over on an 11-yard run.
Beaugez made it three extra
points in a row with a placement
kick. Then Franklin went around
end from the six to score but
Beaugez' kick missed and it was
27-0. The Greyhounds scored
twice in the final quarter with
Mike Williams and Ward doing
the honors. Mike Ligo kicked one
extra point.
